Spay/Neuter Initiative Program (SNIP) Application

Every year in the Niagara Region, thousands of animals are needlessly destroyed as a result of over population. SNIP will help end this tragic cycle by raising awareness and offering low-cost spay/neuter assistance for qualified applicants.

How does SNIP work?

You may qualify for SNIP if you are able to demonstrate that you receive social assistance, Ontario disability, or otherwise have a low income. Please fill out this application form and **attach proof of income that shows the applicants name**, such as social assistance/disability stub, annual T-4 slip, support payments, pension payments, child tax credits or any other forms of income. **Please mail to Niagara Action for Animals (SNIP) at the mailing address indicated above.**

Please note: incomplete or misrepresented application forms will not be considered.
